Stryker Code of Conduct

Stryker Field Hockey Club is committed to developing field hockey skills at every level. Our goal is to create a field hockey community with a genuine love of the sport and a mutual respect for players, coaches, parents, and any other person or group of people in the field hockey community.

We believe that this code of conduct applies to every person involved in the **Stryker Field Hockey Club** environment. As coaches, players, and parents, we represent **Stryker Field Hockey Club** every time we step on the field, sidelines or stands. We want all members to strive to be excellent representatives of the club.

- We agree to respect teammates, coaches, volunteers, officials and opponents at all times.
- We will interact positively with teammates, coaches, volunteers, officials and opponents at all times.
- We agree that all members of **Stryker Field Hockey Club** are working to help players grow in field hockey skills as well as interpersonal skills.
- We understand that coaches, directors, and board members will make decisions that may benefit all players differently, but ultimately have **Stryker Field Hockey Club's** best interests at heart.
- We agree to work on positive interactions before, during, and after games.
- We understand that bullying of any form (physical, social, verbal or spatial) by a player, coach, or parent will not be tolerated. This includes the use of any social media, including, but not limited to texting, email, Facebook, Twitter, Instagram, etc.
- We will talk about teammates, coaches, volunteers, officials, opponents and Stryker Field Hockey Club, in a positive manner. If we have any issues, we will deal with them in the appropriate manner.
- We agree that not all members of Stryker Field Hockey Club will agree 100% of the time. We will do our best to eliminate any disagreements through individual meeting, addition of a mediator, and/or a small group meeting including the director and a board member. We agree that we will mediate disagreements quickly while allowing time to cool down. We also understand that it is okay to disagree as long and respectful behavior is displayed.
- We agree that players, coaches, or parents that do not follow this code of conduct, may be given a warning, put on probation or asked to leave the program. Stryker Field Hockey Club's main goal is that issues are eliminated (or appropriately lessened) in a peaceful manner.
